

Lot G
Cook's Hill Road
Sandys
For Sale: 420,000

Located in a Residential neighbourhood, this elevated building lot offers a great opportunity for you to build your dream home. The very generous square shaped area of 0.231 acres measures 104' west to east along Cook's Hill Lane and is then 98' feet deep north to south.

The natural elevation of the lot is slightly above the grade of Cook's Hill Lane with a gradual and very gentle slope in a southerly direction.

At present, the lot has not been cleared. The boundary marks are in place at the current time but can be confirmed at the point of sale.

Close to bus route, schools plus the new Sandy's 360 Aquatic Centre.
