About this property...

Character and charm exude from every room of 'Bushy Park Cottage', boasting exposed beams, the original baking oven that operates as a fireplace, as well as a wood burning stove to heat up the living room on cold winter nights. Upon entering, you will be pleased to find AC, tile and hardwood floors throughout, as well as natural light and sun filled rooms that radiate from one end of the home to the other. The heart of the home is the kitchen which is open to an area that could be used as a dining room or den. The master bedroom featuring an en-suite bathroom is found on one side, together with a second bathroom plus a room ideal as an office, den or possibly a small guest room. The generously sized living room is strategically placed on the other side of the cottage, leading to the spacious covered bricked porch and sprawling lawn that begs for you to go and enjoy the great outdoors! A bonus of a recently updated, free-standing shed extends options as a workshop, a painting...
