About this property...

SOLD Tucked away on a hill overlooking Southampton, you will find this upscale and inviting move-in ready 4 bed, 2 and a half bath townhome boasting rare water views of both The Little Sound and South Shore. One of only four units in this development, makes it extremely appealing and manageable for families to enjoy the peaceful neighbourhood.

From the moment you step inside, the open floor plan lends itself to highlight the natural sunlight, extending the bright and airy feel throughout. Watch the sun rise while appreciating the joy of cooking in the functional, well-appointed eat-in kitchen. Ease into the large great room/dining area that flows into the living room. Also found on this level, is a powder room and two additional rooms. One can be utilized as a fourth bedroom, kids' playroom or home office, and the other bedroom extends direct access into the garden through French doors.

Upstairs is a spacious landing, master bedroom complete with...
