About this property...

Contemporary rustic condo located far from the hustle and bustle at Southdown Farm. A covered gracious entry provides a lovely welcome to the home. On the ground floor you will find combined living/dining with exposed beams and wood burning fireplace and a decent sized kitchen which includes a gas stove, dishwasher, refrigerator and laundry appliances. Your own private patio is accessed from the living room to enjoy those quiet moments.

The upper level includes the master bedroom with ensuite and a guest bedroom plus second bathroom.

The condo is outfitted with good closet space within plus additional storage on the exterior.

Ready for a new owner, this unit is private yet offers the warm sense of community and security of the well managed Southdown Farm development.
